This NGO has avowed to make world a better place so that humanity can flourish and evolve in a better way. The Society is a non-profit organization for the welfare of the people especially in the field of Women, Child, Education, Learning, Research, culture, medical relief, service for humanity and eradication of every form of human suffering, not limited or restricted to any Particular religion, race, community caste or creed.

Our principal motive is to promote the culture which we got from our forefathers as gift, to take it forward and embrace it. India is a country with great heritage value and can be termed as the country with superior cultural values. The role of Life Care Educational & Welfare Society comes into play as we are under pledge to safeguard our culture whether it is tangible or intangible. Tangibility of our precious culture can be understood as the monuments and buildings with great value from cultural and religious point of view and can be seen and touched as well. Intangibility on the other hand is an element of our culture which we cannot touch and can only think and visualize about it. Like the dresses and the way of living in the past.

Our vision is to engage more people in the fight for better Life, education & Health of needy people & women empowerment.

Our mission is to enhance quality of life for all and create lasting solutions to poverty, hunger and social injustice. To provide support build capacity and integrate individuals into main stream society who have traditionally been suppressed personal, social, economic and political domains.
